

SUSTAINABLE EXPERIENCES

We care about the environment

The implementation of the ROYAL SON BOU FAMILY CLUB environmental management system commits us to define environmental objectives. In our case, and being aware of the environmental situation of Menorca, we set the following environmental objectives to be achieved by the end of 2020.

Reduce the amount of waste generated by 5% per stay

Boost selective waste collection

Reduce water consumption by 5% per stay

Reduce energy consumption by 5% per stay

Promote environmental awareness of stakeholders

Reduce air pollution by 5% per stay
